

# THE MEMPHIS DAILY APPEAL - SATURDAY, MAY 12, 1860.

## Business Notices.

## Local Matters.

**WHITE CLIFTON WATER**—From the White Clifton Spring, Government Avenue, T. Bushell at the head of Main Street.

This company have made great improvements in getting the mineral water to now as perfect as when taken from its source.

**PORCUPINE LADY & CO.**

General Agents for the trained ladies.

**THE HOUSE OF THE BOEWS**—With a party of four we are about to the city, and hope to pay Arkansas Rivers South. There is not much news to say, and you may send your messages to me.

M. J. FARNWORTH.

Bank Agent.

**PHOTOGRAPHS AND AMBROTYPE**—For cheap and durable pictures, go to George H. Smith's studio, 100 Main Street, between Market and Madison streets. They have all the facilities and their prices are very reasonable.

**PLUMER'S**—A new paper, the "American," has come out, and it is well worth reading.

**A FRENCH FACT**—That "Safe" Croam is the best manufactured in the United States, and is the standard of all others. It is a safe, and a good one, a good lock is not the best, however, because safety mainly depends on the best, a plain, simple, and strong safe will do.

**MISSISSIPPI AND TENNESSEE RAILROAD**—**PARADE**—DEPART.

Mr. Franklin, conductor.

The freight and passenger train arrives on Tuesday evenings, and departs on Wednesday evenings.

**PLUMER'S**—A new paper, the "American," has come out, and it is well worth reading.

**FOR STEVES, GRATES, MANTLES, HOUSE FURNISHINGS, ETC.**—See advertisement in another column.

**DENTRO INSURANCE COMPANY**, CAPITAL STOCK \$500,000, OFFICE IN TIGER, 100 Main Street.

It is now prepared to issue policies against fire or damage by fire, Marine and River risks.

M. J. Wicks.

W. S. Gathers.

John W. Pittington.

S. A. Moore.

GEO. WINCHESTER, President.

DR. HOWARD, DIRECTOR.

**GREAT REDUCTION IN PRICES**—For all kinds of hardware, tools, etc., see advertisement in another column.

For full sets of tools see **DEPTH**.

For plating tools, **DEPTH**.

For painting tools, **DEPTH**.

For cleaning tools, **DEPTH**.

For engraving tools, **DEPTH**.
